State Authorization and Licensure or Certification

Falcon Institute of Health and Science meets Pennsylvania's state educational requirements for practical nurse professional licensure and nurse aide certification.

Falcon Institute of Health and Science has not made a determination of whether the practical nurse curriculum or the nurse aide training curriculum meet education requirements for any states other than Pennsylvania.

If you are located in a state other than Pennsylvania, this institution has not made the determination of whether our programs meet the state educational requirements for professional licensure or certification in any other state a prospective student is located.
